

# Lift King 9/2-Post Pro-Line Workshop Hoist

**NEW for 2021 - Australian Certified - EXTRA TOUGH...**

**Commercial-Grade Quality - at NO Extra Cost!**

**The ONLY lifts with an exclusive LIFETIME Structural Warranty**

**+ 3-Year Powerpack Warranty\***

**COMMERCIAL TOUGH**  
Residential Simple

## FEATURES

- 9,000 Lb. Capacity
- Dual hydraulic chain-driven cylinders manufactured to ANSI standards
- Aircraft quality cable is used for synchronization
- Self-lubricating UHMW Polyethylene sliders
- Single-point safety release allows technician to easily release both column locks from one column
- Automatic arm restraints
- Stackable rubber pads

- Dual Locks in each column + Single-Point Release is more convenient and quicker than manually releasing the locks from both posts...
- Throttle-Control inside cylinder. (in case of hydraulic system or hose failure, the arms will not descend rapidly...)

- Super Symmetric Arms allow you to load vehicles in an asymmetric or symmetric configuration.
- Automatic Arm Restraints.
- Rubber Door Guards
- Self-Lubricating Sliders

- Screw-up Rubber Pads with 1 x Truck Adaptor for higher lift-height of 1.930m +...

- Optional Base Plate Extension Kit allows you to safely install the lift into less-than-perfect floors...

- Aluminium power-pack with 24V (low voltage) Control Box - adds to safety....

- Fast & Easy to use Single-Point Lock Release

\* Specifications may differ slightly on 2021 model. Please check the schematic for updates...

**UPGRADED To  
4,200KGS  
CAPACITY  
FOR 2021**

**WITH EUROPEAN CE QUALITY**

## Lifts Features

Aluminum motor & transparent oil tank

Chain pulley is processed under heat treatment

'Pro-Line' z-Post  
4200kgs Floorplate  
Hoist

New safety teeth is done by heat treatment, sustain 180-340kgs pull strength

### Advanced Features

Anti-surge valve  
Avoid quick releasing

110mm diameter of cable pulley

Lift King  
'Pro-Line' z-Post  
Advantages

## Lifts Features

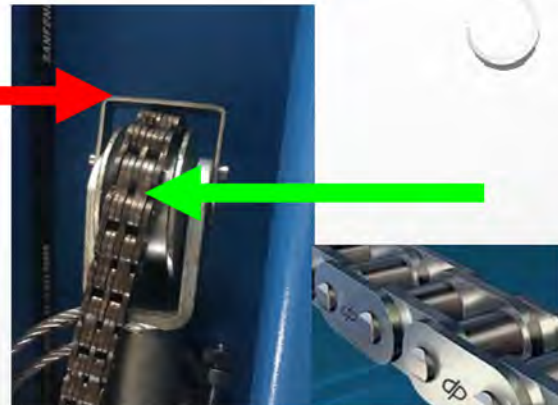

Organized low voltage control box 24V

Nicer and stronger welding by Robot

'Pro-Line' z-Post  
4200kgs Floorplate  
Hoist

Chain protection;  
Stable DP chain with  
60 years history

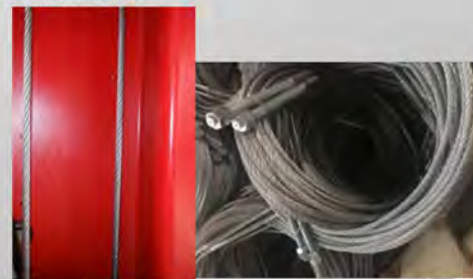

### Advanced Features

Absorption of iron  
roll process

Stronger steel  
cable with 9.3mm  
diameter

Lift King  
'Pro-Line' z-Post  
Advantages
